Trustee voting runs Aug. 1 – Aug. 31

The 2023 trustee election will take place in August. All Tricounty cooperative members will have two convenient ways to vote for trustee candidates for districts 1 and 6. Ballots will be mailed to members by a third-party company, Survey and Ballot Systems.

Included with the ballot will be instructions on how to vote, board candidate information, and a postage-paid envelope. Members will also be able to vote online using the unique

voter information and instructions printed on your mail ballot. There is one vote per membership, and your vote is completely confidential. These two voting methods give every member the ability to vote from the comfort of their home and on their own schedule. Watch your mailbox for your trustee voting ballot to arrive soon after Aug. 1.
